REGULATION

FOR THE USE OF THE PUBLIC PARKING LOT (P1) OF BUCHAREST BĂNEASA – AUREL VLAICU INTERNATIONAL AIRPORT

Art. 1. Compliance with this Regulation is mandatory for all users of the public parking facility of Bucharest Băneasa – Aurel Vlaicu International Airport, owned by Bucharest Airports National Company (BANC). Access is conditioned upon respecting the provisions of this Regulation.

Art. 2. Access to the public parking area owned by Bucharest Airports National Company (BANC) after the issuance of the access ticket, represents the driver's implicit agreement to the application of the present Regulation provisions.

Art. 3. Romanian legislation regulating the circulation of vehicles on public roads applies within Baneasa Airport parking area.

Art. 4. The following are strictly prohibited within Baneasa Airport parking area:

1. Conducting unauthorized passenger transport activities
2. Access of vehicles with trailers
3. Access of TAXI vehicles (according to Law 38/2003, as amended)
4. Access by minibuses, motor vehicles with a maximum authorized gross weight exceeding 2.7 tons, as well as motor vehicles with more than 7 seats, except in parking areas specifically designated for minibuses
5. Use of horns
6. Parking outside marked areas
7. Voluntary stopping/standing on traffic lanes
8. Repairing vehicles
9. Voluntary stopping of motor vehicles with the engine running.
10. Driving on the wrong side of the road
11. Dumping any type of waste
12. Pollution with flammable, hazardous, or organic substances
13. Destroying vegetation
14. Abusive occupation of spaces reserved for persons with reduced mobility, alternative transport, "AIBB-AV" (Baneasa Airport) marked spaces, or minibus spaces
15. Using a parking space for more than 30 days

Art. 4[1] – Access Regulations for Minibuses

(1) For the purposes of these Regulations, a "minibus" means any road motor vehicle designed for the transportation of passengers, with a seating capacity of more than 7 seats, including the driver's seat, regardless of its interior configuration, commercial or private use, or technical classification in the vehicle registration certificate.

(2) Minibuses are permitted access exclusively to the spaces marked and designated for them, subject to available capacity.

(3) Minibuses shall be charged in accordance with the applicable minibus tariff.

(4) The parking duration for minibuses is limited to a maximum of 2 hours.

Art. 5. Access to the parking areas is strictly prohibited for any vehicles bearing taxi markings and/or equipment, or intended for taxi or private passenger transport. Exceptions apply only to taxis authorized by authorities other than those of Bucharest Municipality and Ilfov County, arriving at the airport based on a dispatch order or contract, with destinations outside Bucharest and Ilfov.

Art. 6. BANC will block or tow vehicles which fail to comply with the provisions of **Art. 4** (**points 1, 2, 3, 4, 6, 7, 8, 14, 15**) and **Art. 5.** Release will be granted only after payment of the parking time and the approved blocking/unblocking/towing/storage fees.

Art. 7. Drivers must maintain a minimum distance of 5 meters between vehicles to prevent accidents and blockages. The maximum speed inside the parking area is 5 km/h.

Art. 8. It is strictly prohibited for any natural or legal persons to carry out commercial, advertising, or promotional activities without the express and prior authorization of CNAB S.A.

Art. 9. Depending on the occupancy level of the parking spaces or other exceptional situations, access to the parking areas may be temporarily restricted.

Art. 10. (1) Vehicle access to the parking areas is granted by requesting and obtaining a single access ticket per vehicle, or by using a bank card. When entering with a bank card, the same card must be used when exiting the parking areas.

(2) Requesting and obtaining two or more access tickets for the same vehicle is prohibited and will be sanctioned by issuing an invoice of 500 lei to the driver, payable within 30 days.

Art. 11. Leaving the parking area is permitted only after paying the parking fee, using the access ticket or, as applicable, the bank card used upon entry.

Art. 12. (1) Entering the parking areas without a ticket or without using a bank card is prohibited. In case of any issues related to the issuance or retrieval of the ticket, the driver must request assistance via intercom or at the phone numbers 021.201.33.87 / 0724.062.114 and follow the instructions provided by

the parking staff. Otherwise, the vehicle may be removed from the parking area only after paying the fees applicable for the loss, non-presentation, or deterioration of the ticket.

Art. 13. (1) Throughout the entire duration of parking use, **the driver must keep the parking ticket** issued at entry, without damaging it, and **use it to pay for the parking services before returning to the vehicle**.

(2) It is recommended to insert the exact amount into the payment machine or an amount not significantly exceeding it. If the machine does not have banknotes available, the change will be provided at cashier-operated payment points, only upon presenting the non-fiscal voucher issued by the machine.

Art. 14. The minimum billing unit for the use of hourly-rate (short-term) parking areas is 30 minutes, and any started interval is charged as a full unit. After 48 hours of parking, the "long-term" rate applies.

Art. 15. Once paid, a unit is fully usable. At the end of the first paid unit, an additional 15 minutes are granted for boarding the vehicle and driving to one of the exit barriers.

Art. 16. The time limit within which the ticket may be used at the exit barriers is printed on the receipt issued at payment. Exceeding this limit requires a new payment.

Art. 17. (1) Exiting the parking area without presenting the ticket issued at entry, with an invalid or damaged ticket, or after losing the ticket following payment, may be done only by issuing a duplicate parking ticket, which is charged at 100 lei (VAT included). After identifying the vehicle, the duration of parking use will be calculated and a duplicate ticket will be issued. Payment of the duplicate fee does not exempt the driver from paying the parking fee. The cost of the duplicate is non-refundable.

(2) If the vehicle cannot be identified by the automatic license plate recognition system, a unique exit ticket may be issued, charged at 500 lei (VAT included).

(3) Any attempt to enter or exit the parking area in a manner other than that specified in this Regulation will be sanctioned in accordance with its provisions, and if necessary, legal proceedings will be initiated against the responsible persons.

Art. 18. The applicable fees are established by Decisions of BANC Board of Directors and are displayed at access points and payment stations. The terms and conditions of payment cannot be negotiated.

Art. 19. (1) CNAB is exempt from any liability for:

a) damages caused by failure to comply with the meaning of traffic signs, traffic lights, and road markings, or by failure to follow the instructions of security agents and authorized BANC staff;

b) damages caused by the movement of the barriers when the minimum distance between vehicles is not maintained or when the entry/exit procedure is not followed;

c) road accidents, deterioration, or damage to vehicles;

d) extension of the parking time caused by delays in aircraft takeoff/landing schedules;

e) increased waiting time at payment points or exit barriers during peak traffic periods or caused by factors not attributable to CNAB;

f) any immediate or subsequent consequence, direct or indirect, resulting from non-compliance with the provisions of this Regulation or refusal to pay parking fees, or amounts representing repairs of damaged / destroyed / missing components;

g) improper use of bank cards at parking terminals, as well as any incidents related to payments made with these means of payment;

h) thefts;

i) fires;

j) any type of damage caused by third parties.

Art. 20. Recordings from the CCTV cameras installed in the parking areas are not available to the public.

Art. 21. Vehicle guarding is not provided; parking fees do not include any costs for such services.

Art. 22. If a parking user causes material damage to BANC (equipment damage, destruction, removal of components, pollution, waste dumping, etc.), the cost of materials, equipment, and labor required to restore the initial condition will be recovered through legal procedures based on a work estimate.

Art. 23. Parking spaces reserved for persons with disabilities may be used only by vehicles displaying the card-permit issued by the competent authorities, containing the international symbol. A vehicle transporting a person with disabilities who holds such a card-permit is entitled to park free of charge in the specially designated spaces. The person with disabilities must be present in the vehicle. If the person with disabilities is not present, the free parking benefit does **NOT** apply, and the driver must pay the full parking fee.

Art. 24. According to the legal provisions, customers are required to keep the fiscal receipts issued for parking payment at least until leaving the airport area.

Art. 25. Bucharest Airports National Company has the right to deny access to the parking areas to vehicles whose drivers:

- have left the parking area without paying the due parking fee;
- have not complied with the instructions of airport staff;
- have caused damage to Bucharest Airports National Company;
- have violated the provisions of this Regulation;

Art. 26. Any complaints regarding parking services must be submitted to BANC Management within a maximum of 48 hours from the moment the issue is identified, using one of the following methods:

• Filling in the standard forms and placing them in the opinion boxes located in the public halls of the passenger terminals

• By e-mail at: contact@cnab.ro

• By mail, to the address: **C.N. Aeroporturi București S.A., Calea Bucureștilor nr. 224 E, 075150 Otopeni, Ilfov County**
